

BALI

ISLAND OF GODS

ITINERARY (4 DAYS)

DAY 1 | Mount Batur Ride

We will pick you up from your hotel or villa and transfer you to our departure location in Ubud.

After a Quick Briefing and introduction to the bikes You ride up into the Ubud's spectacular rice paddy area, riding on small trails up to Kintamani. We will stop on the way to look at waterfalls and mandarin orchards.

The sample itinerary below highlights what you can expect on one of our off road bike adventures to Bali, Indonesia. Each ride is unique; routes may vary slightly due to weather conditions, road conditions and rider experience.

After a delicious lunch in Kintamani we ride up into the black eruption lava sand hills on Mount Batur. Fantastic off-roading.

Afternoon you will explore the inside of the Batur Volcanic crater before checking in to a crater hotel.

DAY 2 | Mount Agung Ride

After breakfast we ride along the crater lake. You'll have the option to go on a short boat ride to the Trunyan village of the Bali Aga tribe. Back on the bikes we head over the crater rim on ride small trails towards the north coast.

After lunch we have a little beach ride if the tide permits. This is a lava sand beach and the contrast with the azure water is mesmerizing.

Afternoon we arrive at the Ocean View Dive Resort in Tulamben. A night dive or snorkel trip to the USS Liberty wreck can be arranged.

DAY 3 | Mount Agung Ride

After breakfast at Ocean view Dive Resort we ride to the base of Mount Agung volcano crossing the river eruption and riding along it's slopes while getting some of the best views of the volcano from a safe distance.

After lunch we will head out to the east coast, passing through lush rice paddies along the base of Mount Agung. We will spend the night at a campsite overlooking a white sandy beach.

DAY 4 | Mother Temple

We leave the campsite in the morning and ride up towards Mount Agung. You will visit the largest temple complex in Bali - The Mother Temple. After the temple visit you will ride through some bamboo forests and rice paddies leading back down the mountain.

After lunch we start riding back towards Ubud. We pass through lots of farming areas fed by the water irrigation systems from Batur and Agung.

Mid afternoon we arrive back in Ubud, cold beer and transfer back to your hotel.
